Dear Margarette:

By means of the enclosed letter which I received Monday, I am forwarding Ms. Blair's request for a correction to the mailing list. I noticed on my copy that issues are being sent to her attention and to the attention of Kyle E. Fisher, the firm's former librarian. Ms. Fisher should be removed from the list. Thanks for your help.

Sincerely,

Hazel L. Johnson
Law Librarian

Dear Ms. Johnson:

done
I was browsing through the latest copy of the S.E.A.L.L. Newsletter and was struck by two things. First was my realization that the Newsletter was addressed to the former librarian here at Jackson, Kelly, Holt & O'Farrell, even though she has not been a member for two years, rather than to myself. I joined the organization in 1984 and would appreciate having that reflected upon the membership list.

Secondly, I was interested in your request for a Practice Materials Bibliography from the State of West Virginia. I would be more than happy to accept the challenge and help complete your series. However, I would appreciate seeing an example of what has been done for other states in the region so that I would be able to provide you with a comparable bibliography.

I do not believe there are many members of the Southeastern Chapter here in West Virginia so I would not expect that you will be inundated with offers to help. However, if there are other volunteers for the project, I would be happy to work with them at your request.

I look forward to hearing from you in the near future and having the opportunity to be of service to S.E.A.L.L.

Very truly yours,

Holley M. Blair
